Cover Your COUGH

HELP PREVENT THE SPREAD OF GERMS

Do not cough or sneeze in hands
Cover mouth and nose with a tissue or cough/sneeze into upper sleeve.

Always wash hands after coughing or sneezing
Wash hands with soap and warm water or clean with alcohol-based hand cleanser.

This document provides information of a general nature. It is not intended to be fully comprehensive, nor to provide legal advice or opinions relative to specific facts, matters, situations or issues. A member school district is encouraged to seek legal advice for their specific purposes.
